EXPERIENCE

Gushwork, Bangalore — *Content Strategist*

August 2024 - February 2026

- Developed and executed SEO-optimized blog strategies for international SaaS and tech brands including Forest Hill, Inventive, and Akiflow.
- Created long-form thought leadership, landing pages, and performance-driven web content aligned with search intent and funnel stages.
- Collaborated with cross-functional teams to implement AI-enhanced content research, keyword clustering, and optimization frameworks.
- Conducted in-depth content audits to improve rankings, internal linking structures, and on-page SEO performance.
- Assisted in backlink-focused content planning and anchor optimization strategies to strengthen domain authority.

BrandLoom Consulting, Gurgaon — *Content Strategist*

Oct 2022 - July 2024

- Proficient in working with tools like Basecamp, WordPress, and SEO Yoast.
- Develop and write SEO-optimized blogs, website content, and other digital assets.
- Create social media content calendars and develop engaging social media copies.
- Conduct audits of websites and social media accounts for new clients, identifying areas for improvement and suggesting actionable strategies for optimization.
