## PROFESSIONAL EXPERIENCE

### Content Strategist — **Gushwork**, Bangalore (Remote)

Aug 2024 – Feb 2026

- Managed content strategy for 12+ marketing clients, delivering 20–30 articles, blog posts, web pages, and other creative assets per week across SaaS and tech accounts.
- Wrote long-form thought leadership, landing pages, and performance-driven web content, mapping topics to search intent and funnel stage (TOFU/MOFU/BOFU).
- Partnered with cross-functional marketing and SEO teams to implement AI-enhanced content research, keyword clustering, and topical optimization frameworks.
- Led in-depth content audits and keyword optimization that grew organic sessions 20–50% over 3–6 months and moved target keywords from page 2–3 into first-page rankings (positions 11–20 to top 10) across multiple client campaigns.
- Contributed to backlink-focused content planning and anchor-text optimization strategies to strengthen client domain authority.

### Content Strategist — **BrandLoom Consulting**, Gurgaon

Oct 2022 – Jul 2024

- Formulated content strategy, edited, and wrote articles for 20+ clients across finance, health, and services, collaborating cross-functionally with media, design, and video editing teams on creative assets using WordPress and Yoast SEO.
- Built social media content calendars and wrote platform-specific copy to support brand engagement and organic reach.
- Led content and social media audits for new client onboarding, translating findings into optimization strategies that kept blog bounce rates below 40–50%, reflecting strong reader engagement.
- Managed multi-client content workflows in Basecamp, coordinating timelines and deliverables across writers and stakeholders.

### Freelance Content Writer — **Independent**, India (Remote)

2017 – 2020

- Delivered end-to-end content support for 20+ clients during a full-time career transition, spanning SEO blogs, website copy, email campaigns, Instagram content strategy, and Google Ads copywriting.
- Produced 799 articles (~783,000 words) across client accounts within a 4-month tracking window, averaging ~200 articles/month while maintaining quality and deadlines across concurrent projects.
- Planned and wrote Instagram content calendars and captions for small business and D2C clients, building consistent brand voice across organic social content.

- Wrote Google Search and Display ad copy for lead-generation and e-commerce campaigns, extending content work beyond blogs into paid acquisition channels.
- Sustained an active, multi-client freelance practice for three years, maintaining consistent content quality and turnaround across concurrent projects.

#### **Content Developer — Creativomatic Media, Kolkata**

Jan 2020 – Oct 2022

- Wrote SEO-optimized blog content spanning real estate, fashion, and technology for both B2B and B2C audiences.
- Wrote Google Ads copy and Instagram captions/content calendars alongside blog content, extending output across the marketing funnel beyond long-form writing.
- Collaborated with internal content and design teams via Slack to align messaging, tone, and delivery timelines across concurrent projects.

#### **Content Writer / Editor — Igrowth Media, Gujarat**

Jan 2020 – Oct 2022

- Delivered SEO-optimized blogs, articles, and web copy for architecture and Australian health-brand accounts, managing workflows in Trello.
- Extended content support beyond blogs to include Instagram strategy and Google Ads copywriting, covering a broader share of clients' marketing spectrum.
- Edited and proofread content for clarity, consistency, and SEO alignment, contributing to improved search rankings and audience engagement.
- Partnered directly with clients to translate brand requirements into content tailored to their target audience.

#### **Content Editor — Bartleby, United States (Remote)**

Apr 2014 – Apr 2017

- Edited and proofread academic summaries, research papers, and case studies for clarity, accuracy, and adherence to academic standards.
- Served as Subject Matter Expert (SME) on research-heavy assignments, ensuring content accuracy under tight, high-volume editorial deadlines.
- Collaborated with editorial teams to maintain style-guide consistency and quality standards across a high-volume content pipeline.
